For us, it’s not just business. It’s personal.
Fire Sprinkler Air Compressors

Fire Sprinkler Series - Simplex Tank Mounted

- Quiet operation.
- Heavy duty single stage high efficient air compressors.
- Durable cast iron pumps for performance and durability.
- All pumps supplied with oil sight gauge.
- Splash type lubrication.
- All cast iron pumps have stainless steel valves for longer life.
- Flywheels designed for excellent pump cooling.
- All units factory set at 30 - 50psi.
- All units mounted on air receivers rated at 200 psi and CRN approved for Canada.
- All units may be ordered with magnetic starter (Starter supplied loose).
- All units supplied with necessary compressor oil for start up.
- All units supplied with extended drain valve for air receiver for ease of draining condensation.
- Specify voltage upon ordering. (1/2 - 2HP 115V/1PH and 1/2 - 5HP 230V/1PH) (1/2 - 5HP 208-230-460-575V/3PH)
- Factory tested prior to shipment.
- 2 year limited manufacturer’s warranty.
- Factory mounted options available:
  - Low oil shutdown with magnetic starter c/w 24 volt step down transformer.
  - Auto drain - electronic or pneumatic.
  - Belt guard aftercooler.
- Specialty units and voltages available upon request.

*Notes: CFM (FAD) = CFM Free Air Delivery
**Notes: System Size - Maximum Gals. In system to be pumped to 35psi in 30 minutes.
***Notes: All units are factory set to 30 - 50psi. Pumps have the ability to achieve 125psi if set accordingly with proper motor pulley, pressure switch etc.
FIRE SPRINKLER SERIES - BASE MOUNTED

- Quiet operation.
- Heavy duty single stage high efficient air compressors.
- Durable cast iron pumps for performance and durability.
- All pumps supplied with oil sight gauge.
- Splash type lubrication.
- All cast iron pumps have stainless steel valves for longer life.
- Flywheels designed for excellent pump cooling.
- Pressure Switch, safety valve, gauge, check valve, aftercooler tube and manifold are NOT INCLUDED, but may be ordered with Auto Control Group.
- All units may be ordered with magnetic starter (Starter supplied loose).
- All units supplied with necessary compressor oil for start up.
- Specify voltage upon ordering. (1/2 - 2HP 115V/1PH and 1/2 - 5HP 230V/1PH) (1/2 - 5HP 208-230-460-575V/3PH)
- Factory tested prior to shipment.
- 2 year limited manufacturer’s warranty.
- Factory mounted options available:
  - FSC-ACG Auto Control Group for Base Mounts Units
    - Heavy Duty Pressure Switch Set at 30 - 50psi
    - Snubber, Safety Valve, Liquid Filled Gauge and Manifold
    - Check Valve
    - Aftercooler Tube
    - Flex Hose
    - Low oil shutdown with magnetic starter c/w 24 volt step down transformer.
    - Belt guard aftercooler.
- Specialty units and voltages available upon request.
